Veterans Obedience Division

Any dog 7 years old or over may be shown in the Veteran Division.

Veteran Division dogs will be allowed/required to jump ½ of their regulation jump height. They will be required to perform all exercises in their class; jump height will be the only difference from the regular class.

Once a Veteran dog can no longer jump at least ½ their regulation jump height they must be moved to a class that does not require jumping.

Veteran dogs will compete at the obedience level the member chooses, from Novice up through Utility. A Veteran dog may change obedience levels in either direction each year as their health determines.

Scores will be calculated as follows:

- Novice: judge’s score
- Pre-Grad Novice: judge’s score plus 3 points
- Grad Novice: judge’s score plus 6 points
- Open: judge’s score plus 9 points
- Grad Open: judge’s score plus 12 points
- Utility: judge’s score plus 15 points

If a dog is entered as a Veteran during a project year, they may go back to regular obedience the following year; however, they must go back to the level they would have been competing at before they moved to Veterans.
